## Robert Andrei N. Bamba

### Website Developer/Designer

I am a self-taught website developer proficient in frontend and backend development. With 4 years of coding experience, I have gained expertise in HTML, CSS, JavaScript, Node.js, and Python. I specialize in creating visually appealing interfaces, implementing dynamic features, and integrating databases. As a collaborative team player, I consistently deliver high-quality results within deadlines. I am passionate about website development and constantly stay updated with industry trends. I am ready to exceed client expectations and contribute to organizational success.
